Re: *United States v Alveranga*, 23 Cr. 211 (PMH)

Your Honor:

I represent Errol Alveranga in the referenced case and am writing to request that his passport be returned to him.

When Mr. Alveranga was arrested, he was released on various conditions, one of which was that he turn over his passport. On August 27, 2024, Mr. Alveranga was sentenced to one year of home confinement and a term of supervised release. Pre-trial services requires an Order of this Court in order to release the passport. The government has no objection to this application. I also note that this Court recently granted the same request made on behalf of the co-defendant, who is Mr. Alveranga's wife.

Accordingly, we request that this Court endorse this letter so that it may serve as an Order to pre-trial services for the return of the passport by the Clerk of the Court.

Thank you for your attention to this matter.

Respectfully submitted,

/s/

James E. Neuman
